

# Madrone Crossing

Project Number: 1907

## LOCATION

Sir Francis Drake Boulevard at Madrone Avenue

## COST

\$150,000 (estimated)

## FUNDING SOURCES

NTPP \$150,000

## COMPLETION DATE

Fall, 2009 (projected)

## PROJECT DESCRIPTION

The project will improve the visibility of the crosswalk and warn motorists of the presence of pedestrians with a flashing beacon activated by a pedestrian button on each side of the roadway.

## POINTS OF INTEREST

This is a key crossing of busy Sir Francis Drake Boulevard, connecting Red Hill Shopping Center with downtown and surrounding neighborhoods.

## STATUS

Funds are being transferred to the town with preliminary engineering beginning shortly.

## ABOUT WALKBIKEMARIN

WalkBikeMarin is an initiative by the County of Marin to help make Marin more healthy, livable, and environmentally sustainable by encouraging walking and bicycling as everyday transportation. This initiative was catalyzed by a recent \$25 million federal grant to fund the Nonmotorized Transportation Pilot Program (NTPP).

Revision Date: 10/26/07

This well-used crossing connects downtown with a large shopping center and several residential areas. The high traffic volumes combined with this crosswalk being between two curves makes it a challenging place to cross.

The current crosswalk has pedestrian-activated in-pavement flashing devices, but to improve visibility an overhead flashing beacon and street lighting will be added.
