

# Terra Linda – North San Rafael Improvements

Project Number: 2004

## LOCATION

Generally along Freitas Parkway from Del Ganado Road to Del Presidio; Civic Center Drive (San Rafael)

## COST

\$400,000 (estimated)

## FUNDING SOURCES

NTPP \$400,000

## COMPLETION DATE

August, 2010 (estimated)

## PROJECT DESCRIPTION

This project will implement selected recommendations from the North San Rafael Vision Plan. Along Freitas Parkway this would include installation of Class II bicycle lanes, sidewalk improvements, and enhancements at selected intersections to improve cyclist and pedestrian circulation. Recent but separate improvements undertaken as part of redevelopment of the mall include construction of a Class I multi-use pathway along the mall's Las Gallinas frontage.

No specific improvements have been identified for Civic Center Drive segment. Any improvements and connections from it to the Northgate area will be evaluated for feasibility and construction at a future date.

### POINTS OF INTEREST

The project area is an east-west corridor across the Santa Margarita Valley, linking Terra Linda with Santa Venetia and key activity nodes in between, including the Civic Center, Northgate Mall, and neighborhood centers including Northgate One and Scotty's Market.

### STATUS

Construction contract was awarded March 1, 2010. The project will be constructed in conjunction with the Northgate Gap Closure (Project 2006).
