Dear Neighbor,

The County of Marin is conducting a study of potential bicycle and pedestrian related improvements along portions of Miller Creek Road and Las Gallinas Avenue.

You are receiving this letter because we want to ensure you have the opportunity to give us your input on a variety of alternatives presented in the *Draft Miller Creek Road/Las Gallinas Avenue Bicycle and Pedestrian Study*. A public workshop was held on May 24, 2011 to present the draft alternatives.

The *DRAFT* Study, as well as the workshop presentation and materials, are available on the project webpage at [http://walkbikemarin.org/projects\\_lasgallinas.php](http://walkbikemarin.org/projects_lasgallinas.php). The County has not yet developed a preferred alternative and your input is an important part of determining which projects to implement in the future, should funding become available.

Please provide any comments and input on the Draft Study by **June 30, 2011**. All comments and input will be considered before finalizing the Study later this summer.

Thank you again for your continued interest and participation in this important study process!

With warm regards,

  
Ms. Carey Lando
