To all San Quentin Area partner agencies:

I wish to thank you for your participation in the San Quentin Area Bicycle and Pedestrian Study over the past year. Your commitment to provide input and feedback during development of this important study to close gaps in the bicycle and pedestrian network in Marin County was essential.

The Marin County Department of Public Works has accepted the Study as complete and we are forwarding a hard copy for your use. Copies will be available in the resource area of the San Rafael, Larkspur and Civic Center libraries and Public Works offices.

The Study also will be available to the public for download and viewing on the project webpage: http://www.walkbikemarin.org/projects_san-quentin.php Feel free to provide a link to the Study on your agency website.

Again, thank you for your participation in this very important, multi-jurisdictional study.

Sincerely,

Farhad Mansourian
Director
